Contact Number	(077) 380-3310
Address	89 Harare Drive, Mount Pleasant, Harare, Zimbabwe
Company	ZAIDG CONSULTING ENGINEERS MANAGING CONSULTANT
Occupation	World Federation of Engineering Organisations Vice President
Job / Occupation Description	Dr. Eng. Martin Manuhwa is a distinguished engineering leader with extensive experience in global, continental, and regional professional institutions . He is the Past President of the Federation of African Engineering Organisations (FAEO) and currently serves as Vice President of the World Federation of Engineering Organisations (WFEO), where he has chaired the Capacity Building Technical Standing Committee since 2019. He also previously chaired the Engineering Council of Zimbabwe (ECZ) and served as President of the Zimbabwe Institution of Engineers (ZIE). In addition, he is the Founding President of the Southern African Federation of Engineering Organisations (SAFEO) and a founding member of the Asia Africa Pacific Accord's Engineering Council. Professionally, Dr. Manuhwa is the Managing Consultant of the Zimbabwe Africa Infrastructure Development Group (ZAIDG), a firm specializing in engineering procurement and construction project management (EPCM) and consulting engineering. Through partnerships such as with Hatch Africa, ZAIDG delivers infrastructure solutions in the power, mining, and public sectors across Africa. He is an energy expert with an honours degree in engineering and a Master of Business Administration. Dr. Manuhwa serves on several boards locally and internationally. He chairs the Chinhoyi University of Technology (CUT) Council and the Ziscosteel Board. He actively contributes to initiatives including the SADC Trade in Services Strategy, the UN Summit of the Future, and the UNECA Africa Sustainable Development Goals Dashboard. A Fellow of multiple international academies, he has received numerous honors, including the ZIE Lifetime Achievement Award (2023) and global recognition for engineering excellence and anti-corruption leadership within WFEO.
