Job / Occupation Description	Ms. Ruth Gororokufa is a Wealth Services Manager Her responsibilities are: 1. Client Relationship Management Manage and nurture relationships with existing high-net-worth clients to ensure retention and loyalty. Act as the primary point of contact (Relationship Manager) for assigned clients, offering a "one-stop-shop" service for all banking needs. Conduct regular client reviews and portfolio rebalancing sessions to align investments with changing market conditions and client goals. 2. Business Development & Sales Aggressively grow the Wealth Management book by sourcing new high-net-worth clients. Achieve set targets for deposits, fee income, and commission from banc assurance products. Identify cross-selling opportunities for other ZB Bank subsidiaries (e.g., ZB Life, ZB Securities, ZB Reinsurance). 3. Investment Advisory & Portfolio Management Provide sound financial advice on asset classes including equities, fixed income (money market), property, and offshore investments. Analyze local and global economic trends to advise clients on investment risks and opportunities. Structure client portfolios to optimize returns while managing risk tolerance. 4. Product Development & Compliance Contribute to the development of new wealth management products tailored for the Zimbabwean market. Ensure strict adherence to Know Your Customer (KYC) and Anti-Money Laundering (AML) regulations. Ensure all investment advice and documentation comply with the Securities and Exchange Commission of Zimbabwe (SECZ) and Reserve Bank of Zimbabwe (RBZ) regulations.
